

## An Italian salt mine: PETRALIA

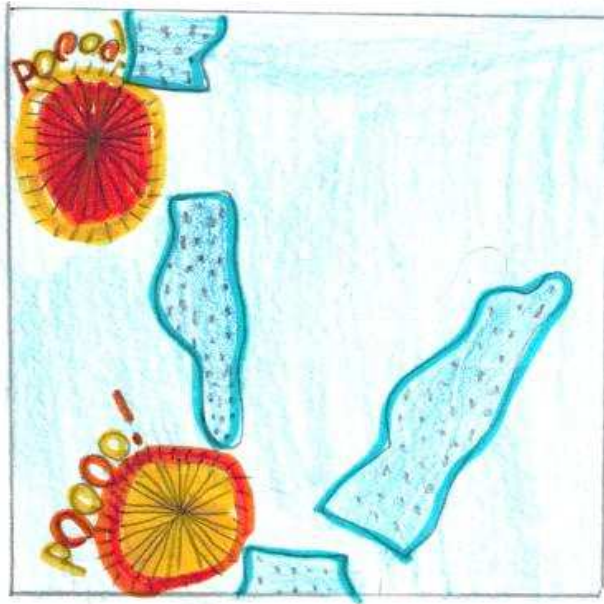

1) I MACCHINARI ENTRANO  
NELLA CAVA  
THE MACHINES GO IN THE MINE.

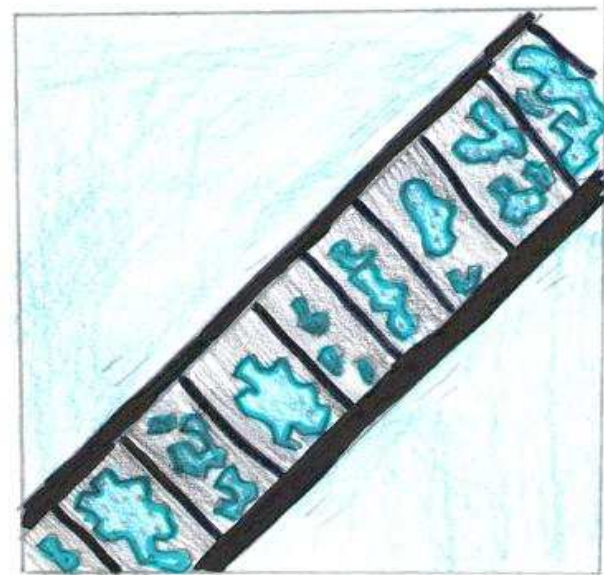

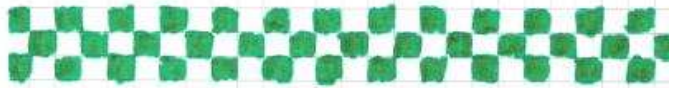

2) LA ROCCIA VIENE FRANTUMATA  
CON LA RUSPA  
THE ROCK IS CRUSHED BY THE  
BULLDOZER.

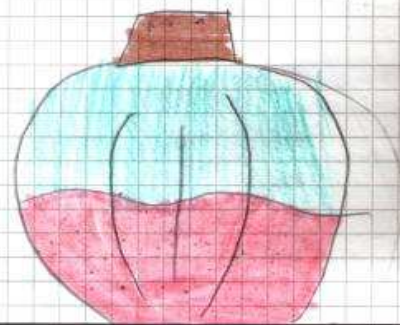

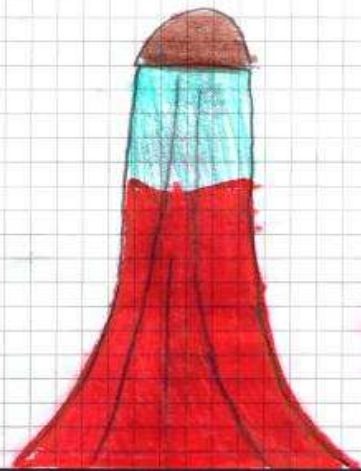

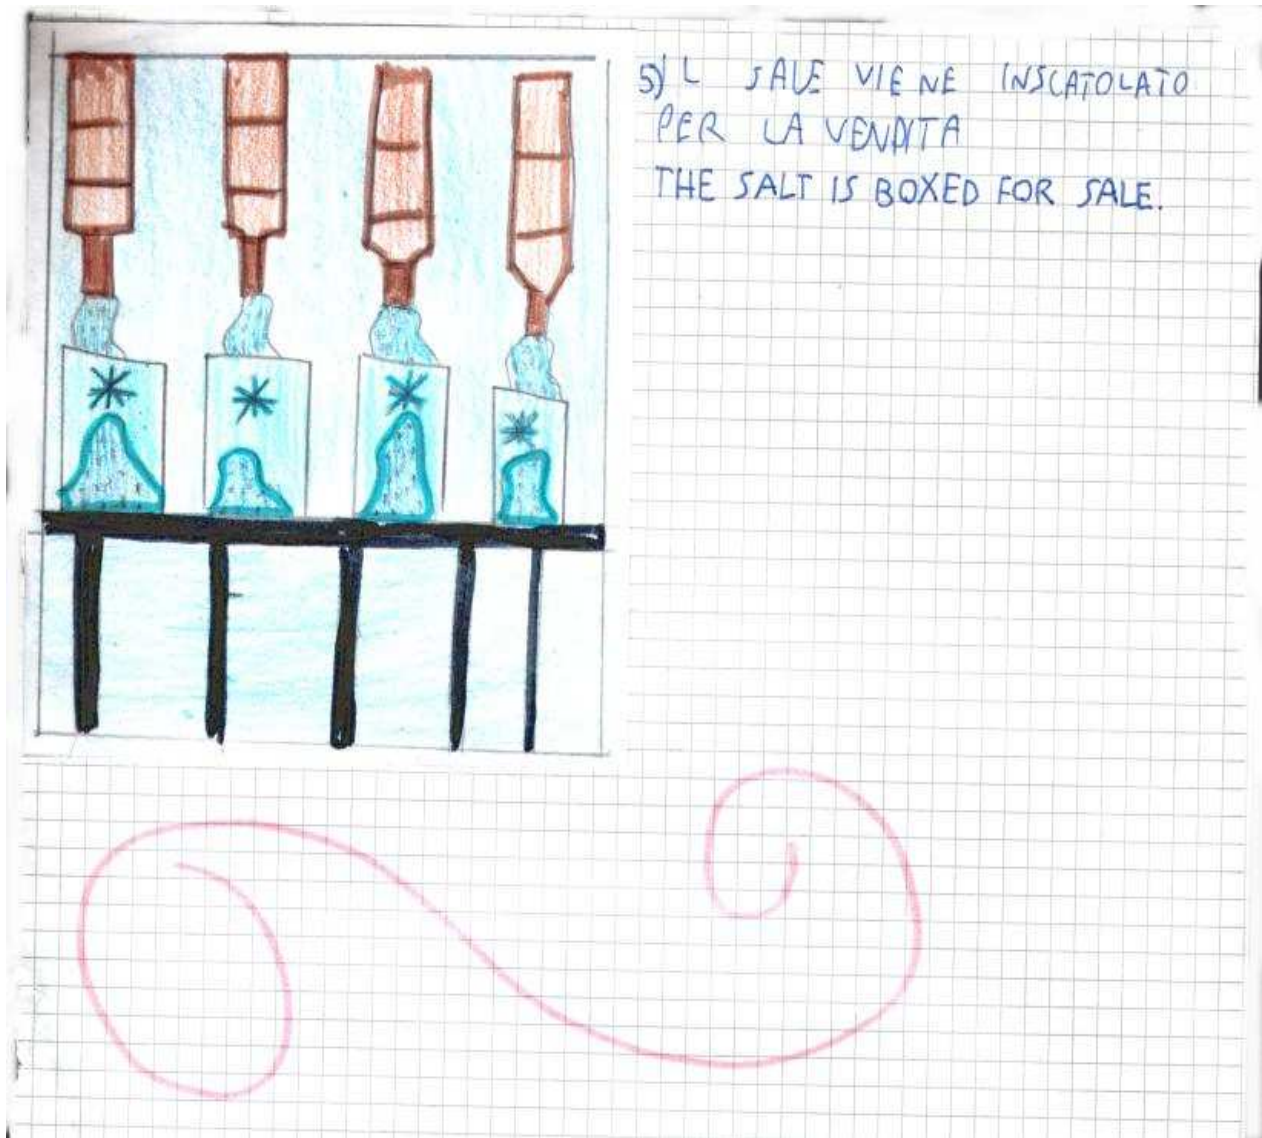

3) OPPURE CON LE MINE  
OR WITH THE EXPLOSIVE MINES.

4) I RULLI TRASPORTANO IL  
SALVE VERSO L'USCITA  
THE ROLLERS TRANSPORT THE  
SALT TO THE EXIT.

Petralia is in Sicily. We watched a very interesting video about the salt cave. You can watch it in youtube!
